So you've gone astray  
And you feel alone  
Hold my hand  
Let me help you home

Don't be afraid  
I've been sent by Him  
Hold my Hand  
Let me help you home

He said to help you home  
He forgives your sins  
Hold my hand  
Let me help you home  
Hold my hand  
Let me help you home

He is giving new life  
For you to begin  
Hold His Hand  
You are now at home  
Hold His Hand  
You are now at home  
You are now at home
