My God is Cool - Christ our only Lord
My God is Cool - sent by God to save us all
My God is Cool - Christ our only Lord
My God is Cool - I praise You Christ my Lord

Conceived by the Spirit, born a humble King
Praised by kings of all nations
His name is Jesus, Jesus the Savior
Christ - our - only - Lord

My God is Cool - Christ our only Lord
My God is Cool - sent by God to save us all

He gave sight to the blind, hearing to the deaf
Made the lame walk, washed the lepers clean
Crowds came from afar, seeking to be healed
By Christ - our - only - Lord

My God is Cool - Christ our only Lord
My God is Cool - sent by God to save us all

Rebuked the wind and waves, calmed the powerful storms
Walked on water, gave life to the dead
There is no other one, this is the Father's Son
Christ - our - only - Lord

He was crucified
Nailed to the cross
Buried in the tomb
Descended into hell
Resurrected from the dead
Ascended into heaven

My God is Cool - Christ our only Lord
My God is Cool - Sent by God to save us all
My God is Cool - Christ our only Lord
My God is Cool - I praise You Christ my Lord
My God is Cool - Christ our only Lord
My God is Cool - Christ our only Lord
